

Want to learn more about Marching Band this summer?

GO TO A DRUM CORPS SHOW 2017

Drum and Bugle Corps are not called “bands” but rather “corps”. The Drum and Bugle Corps Activity was started after World War 1. Many of the original Drum Corps were sponsored by veterans groups at the conclusion of the war. Today Drum and Bugle Corps is the closest thing we have to professional marching band. Drum Corps International (DCI) has drum corps from around the world that have members under age 22. Drum Corps Associates (DCA) is comprised of members of all ages. North Jersey is the heart of drum corps history as the birthplace of the most legendary drum corps in both circuits. The 10 Time DCI World Champion Cadets were started in Garfield and the 9 Time DCA World Champion Caballeros are located in Hawthorne.
