Syracuse Rooms for Family and Friends

The band members would love to have lots of fans in Syracuse to cheer them on! If you are interested in joining the audience at the Dome in Syracuse you may choose to reserve a room at the hotel listed below. A special rate has been arranged. Various room configurations are available. The rate and reservation code info is below.

Reservations must be made by September 30th... (The Block is more limited than usual since the band is using more rooms...so book early!!!)

***Please understand that while we perform well with lots of cheers and applause *at the Dome*, it is very important that there is no family/friend contact with the students at the hotel of any kind. The band works during the season to achieve a unified focus for their competitions. During this championship weekend we ask that you respect this for the best of the band. If you do need to contact your child for any reason it can be done through a staff member. This is also for the safety of all the children on the trip.
